To,

**The General Secretary
Communist Party of Greece (KKE)**

Dear Comrade,

On behalf of the National Council of the Communist Party of India (CPI) and on my own behalf, I extend our heartiest greetings to the leadership of the KKE and all delegates and participants of the 19th Congress of the Party.

We have been keenly observing the activities and struggles of the Communists in Greece. Like other capitalist countries, Greece too is in the grip of the ever deepening crisis of economic neo-liberalism. We understand that the 19th Congress of the KKE will deliberate on the crisis that is direct result of pursuance of the policies of neo-liberalism imposed by the International Finance Capital and its tools like World Bank and International Monetary Fund (IMF).

We note with interest that the 19th Congress will deliberate on a new thesis that comprises of a new draft Party Programme, statutes and tactical political line. We are confident that by adopting new charter, the KKE will present an alternative to economic neo-liberalism and chalkout a new phase of mass mobilization.

We wish all success to the deliberations of the 19th Congress. Please convey our heartiest greetings and good wishes to all the delegates and hope for a meaningful deliberation.

With Fraternal greetings

Yours Comradely,

**(S.Sudhakar Reddy)
General Secretary**
