**The South African Communist Party (SACP) Message of Support to the Greek Communist Party (KKE)**

***'PEOPLE'S ALLIANCE - THE PEOPLE IN POWER' – SOCIALISM NECESSARY AND TIMELY'***

**The General-Secretary of the KKE, comrade Aleka Pappariga**

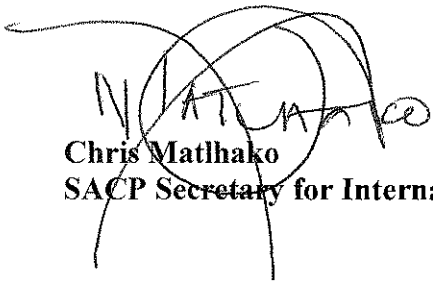

The SACP expresses its profound and fraternal greetings and best wishes to the leadership and membership of KKE on the occasion of the 19th Congress. On this occasion of the 19th Congress of KKE, we also wish to express our deepest solidarity with working class, the progressive and class orientated trade union PAME, the militant and steadfast youth of KNE and the struggling people of Greece. You are not alone in this struggle and the progressive-communist movement across the world is with you during these difficult times of ensuing and deepening crisis of the system of capitalism and the devastating consequences this has had on the working people as a whole.

We are confident, that the 19th Congress billed, as 'Peoples Alliance - The people in Power: Socialism Necessary and Timely', will not only engage the manifestations of the consequences of the barbaric system of capitalism in your country and region, but will deliberate the global conjuncture, and will thus make a significant contribution towards increasing and tilting the balance of forces in the favour of the progressive-communist and workers' movement across the globe. This is indeed NECESSARY and TIMELY!

KKE and its fraternal partners can count on the unwavering solidarity of the SACP and progressive people's of our country. The SACP stand side-by-side with KKE and its allies in the struggle against capitalism and for construction of socialism we join with you and others in the anti-imperialist and pro-peace struggles for the realisation of socialist world order.

**Best wishes and revolutionary greetings to the delegates of the 19th Congress of KKE!**

**Socialism is the future!**
